Key Points Discussed:

- Ollie answered the questions about the resources and files, and he explained the files with details. Most important two files: PMC and Daniel's table.
- Ollie answered the questions about the definitions of the column names in athlete data forms, and what data may not be useful or if it is dirty data.
- More files are coming. 10 more athlete data forms, the data description of Daniel's table, and the missing Michelle Allen's data.
- Ollie can help us contact the student who is doing an internship and knows Garmin API.
- Ollie can help us get access to MyFitnessPal and CoachMate if we need it.
